If you have more deposits at the same credit institution: All your deposits at the same credit institution are "aggregated" and the total is subject to the limit of €100,000.
If you have a joint account with other person(s): The limit of €100.000 applies to each depositor separately³

Contact: Depositor Compensation Scheme, c/o Malta Financial Services Authority, Triq Notabile, Hʼ Attard BKR 3000, Malta; Tel: (356) 2144 1155; E-mail: info@compensationschemes.org.mt
More information: www.compensationschemes.org.mt

¹ Scheme responsible for the protection of your deposit
Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to €100.000.

² General limit of protection
If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Depositor Compensation Scheme, in accordance with the regulations. This repayment covers a maximum of €100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.
In addition to the protection described above, deposits may be protected in some cases up to a maximum of €500.000 for six months after the amount has been credited or from the moment when such deposits become legally transferable. In order to qualify for such higher protection, a deposit in excess of €100.000 must meet any one of the following additional criteria:

(A) it comprises:
- a. monies deposited in preparation for the purchase of a private residential property by the depositor; or
- b. monies which represent the proceeds of sale of a private residential property of the depositor; or

(B) it comprises sums paid to the depositor in respect of:
- a. a separation, divorce or dissolution of their civil union; or
- b. benefits payable on retirement; or
- c. a claim for compensation for unfair dismissal; or
- d. a claim for compensation for redundancy; or
- e. benefits payable for death or bodily injury; or
- f. a claim for compensation for wrongful conviction.

More information can be obtained under www.compensationschemes.org.mt

³ Limit of protection for joint accounts
In case of joint accounts, the limit of €100,000 applies to each depositor.
However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

⁴ Reimbursement
